

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFF FILING OF KENERGY CORP. TO)	CASE NO.
IMPLEMENT DEMAND-SIDE MANAGEMENT)	2012-00143
PROGRAMS)	

O R D E R

On April 9, 2012, Kenergy Corp. ("Kenergy") made a tariff filing seeking Commission approval of Demand-Side Management ("DSM") programs. Kenergy's proposed tariffs are designated as PSC No. 2, Sheets 47 through 54A; and Kenergy proposed that its new DSM programs become effective on April 30, 2012. On April 16, 2012, the Commission issued an Order finding that an investigation of the proposed DSM programs was necessary to determine their reasonableness. The April 16, 2012 Order also suspended the tariffs for one day, until May 1, 2012, and allowed them to become effective subject to change prospectively.

On April 24, 2012, Kenergy submitted a supplemental tariff for a weatherization program for residential customers whose primary heat source is non-electric with electric-sourced air conditioning. Kenergy requested that this tariff, designated as PSC No. 2, Sheets 55 and 55A, be given the same treatment as the tariffs submitted earlier in this proceeding.

Based on the evidence of record and being otherwise sufficiently advised, the Commission finds that the supplemental tariff application shall be incorporated into the record of this case in order for the Commission to determine the reasonableness of the

proposed DSM programs, including the residential weatherization program. In light of the fact that the DSM programs in the initial tariff filing are already in effect and the supplemental tariff filing contained no proposed effective date, the supplemental tariff filing shall become effective on or after the date of this Order, subject to change prospectively.

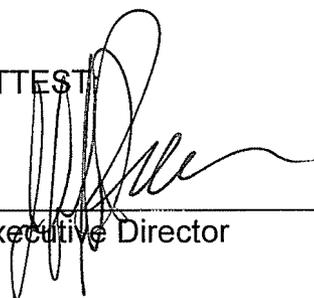

IT IS THEREFORE ORDERED that:

1. Kenergy's proposed supplemental tariff is effective on or after the date of this Order, subject to change prospectively.
2. The supplemental tariff application submitted by Kenergy on April 24, 2012 shall be incorporated into the record of this case.

By the Commission
